India is the mysterious land chosen as her own by Kundalini, The Mother of the Universe. What we read in old histories and Holy Bibles, and the records, can be seen there today. In India there are Yogis who perform such marvelous feats that Doctors, Scientists and Chemists are unable to solve them, and I may say, are unable to understand them. For instance, such feats, as lying down upon blazing logs of fire; walking over red hot fire that has been especially prepared by burning ten tons of wood, — twenty men walked over this without a burn—not even a hair on their feet; also feats of levitation, walking on water, etc., equally as astonishing. Yogi Haridas, at Lahore, willingly permitted himself to be buried alive for forty days under fifteen feet of earth. After that length of time, he was taken out as normal as ever. Such as that, and standing on one leg for years; head buried in the earth with both legs up in the air for days; living without food for forty years, — these and many other things can be seen in India today.
